“Behold, the virgin shall conceive and bear a son, and they shall call his name Immanuel, which means ‘God with us’.-Matthew 1:23

Who is Jesus? He is so near that He cannot be any nearer. This is who Jesus is. God near us. Not far away, ignorant of our existence. Not just watching from afar. Not distant, aloof from our suffering. But near, in the flesh, available and present and given to His people every day, every week, all our lives. Jesus is the God who is near!

Welcome, from our church family to your family! We are glad to meet you!

Messiah Lutheran is a great place to worship, learn, serve the community, and most of all to grow in faith toward God and in love toward one another. Ultimately, Jesus is the center of everything we do.

We’re happy you’re reading this brochure and we would love for you to join us in worship or contact me via phone, email, or in person. May the joy and peace we have in Jesus be yours as well.

In Christ,
Pastor David Jacoby

LUTHERAN CHURCH Missouri Synod

MESSIAH LUTHERAN PRESCHOOL & LEARNING CENTER

Jesus said "Let the little children come to me." Mark 10:14

A whole new world of wonder is waiting for children at our Center. Your precious children will enjoy the time of their lives with others their own age in this special place that's just for them. Here, children experience hands on discovery and thematic learning programs.

- Programs for children ages 8 weeks thru 5.
- Open year round—full and half day programs

At the Center we're endlessly engaging your child with opportunities for learning and play. It is our goal that when children leave our program they take with them a foundation that enables them to enter into an academic setting with confidence, self-assurance and a strong sense of self-worth

We provide an opportunity for preschoolers to develop a positive self-image through an awareness of God's presence in their lives. We encourage children to develop a personal relationship with Jesus, our Savior and Friend.
